WELCOME TO LINCOLNWOOD AT NEW LENOX

The newly developed subdivision of Lincolnwood, east of New Lenox a few miles, is growing so rapidly that a business place has been erected.

It is a newly erected building in the most modern architect recently designed an d built by Robert Fredin. It is located on the west end of the circle drive in the subdivision and is set back from route 30 a short way. Mr. Fredin has his office in the west part of the building and in the east part Mr. and Mrs. W. G. Ritt have a restaurant and fountain.

The interior of the building is decorated in ultra modern style of light green and brown with many fluorescent lights. The entire front wall of the building is glass in a slanting manner with a wide overhanging roof.

The Ritts plan to furnish breakfast, short orders and fountain service. Mr. Ritt's mother, who is known for her good home cooking will have home made pies along with the other home made meals.

They also are stocking a line of groceries and will increase that stock according to demand. This week and next, the News Bulletin is sending a complimentary copy to each resident in the subdivision to acquaint them with the home paper which serves this area and by this means invite them to join the News-Bulletin family and become a regular reader. It is the desire of the Ritts to sell the papers at their store for those who do not get it by mail thru subscription.

The Lincolnwood Drive-In as the new store is called, will open tomorrow, Friday, Aug. 30.

LETTERS TO THE EDITOR

Aug. 27, 1952

Dear Mrs. Semmler:
During a meeting of the group which is organizing a carnival for Frankfort, it was decided to have a tug of war contest. Some of the city slickers present expressed views would not make very good contestants because they don't do enough hard work any more to keep in condition.

This writer would be among the first to acknowledge the fact that many advances have been made in the fields of science as related to agriculture. One is certainly misled however, if he allows himself to hopelessly think that all the hard work has been removed from farming.

At any rate the challenge was made and readily accepted by myself on behalf of the farmers of the Frankfort area to oppose any 10 men from the town of Frankfort.

The results of course, are foregone. If the town is ever able to raise 10 men for the occasion they will be handily defeated by the rural groups second team. This being the case, the farm team does hereby challenge all comers to be present at Frankfort on the afternoon of Sept. 21, 1952. Who knows, we may even have to put in our first team in some of the ensuing events.

Dr. James H. Moser,
Frankfort, Ill.

Wayfarers to Meet At Bruesser Home

The first meeting of the fall and winter season will be held September 4 at the home of Mr. and Mrs. Edward Bruesser, in South Woodland Circle. This will be an important meeting. A report is due from Henry Koenig, and one is also due from the picnic committee.

Cards are being sent to all members urging them to attend, and also to bring another Master Mason along. Your attendance is urgently requested.

Some pinocle card games will be played, and refreshments served. Plan to attend.—Harley A. Mann, Pres., John C. Janke, Acting Sec.

Voters in the New Lenox-Frankfort, Mokena-Manhattan High School District will be asked Saturday, August 30, to approve an increase in the educational tax rate. The polls will be open from 12:00 noon until 7:00 p.m. The polling places will be the four grade school buildings in the different communities at which the previous elections have been held. The present rate of 50 cents is not sufficient to provide the necessary funds for the tuition of the high school students / attending school in the adjoining districts. These claims for the 1951-1952 school year amounted to \$125,000 while the available tax funds from the 50 cents rate only amounted to approximately \$120,000. Many additional students will be enrolled this fall, and likewise an increase in the tuition rate is expected.

The present financial condition not only jeopardizes the educational program of the students, but leaves no money for the regular expenses, or funds for necessary educational equipment for the new high school building. Likewise, the desired educational program and the future staff cannot be provided under the present income.

The high school board wishes to stress the importance of this election for the continuance of the educational program of the students in this area. Without the funds that would be provided from this increased tax rate, the board would not be able to continue sending the children to the adjoining high schools.

If the election for the increase is successful, the legal maximum rate would be fixed at 71 cents. The Board of Education has indicated that only 64 cents is needed for the present fiscal year in order to conform to its tentative budget. This would keep the total rate slightly under \$1.00 for the ensuing year. Such a rate would compare favorably with other high school districts of comparable size and assessed valuation.

Under the formula for State Aid, District 210 does not qualify for any special help, receiving only a flat grant of \$7.00 per pupil. Consequently, only \$2,100 will be received from this source during the next calendar year.

Two Mokena Men Put on Probation

Joseph Ashby, 49, of Mokena, was arrested for disorderly conduct at the close of the Homecoming. He resisted arrest and it was found necessary to call in the sheriff's office to quell the disturbance. The next day, Monday, August 18, he was brought before Justice of the Peace Anthony Mackay, in Joliet.

Ashby signed a jury waiver and pleaded guilty to the charges. He also paid \$50 and costs. He also paid \$18 in the way of restitution to Deputy Steve Helias of Joliet, whose trousers had been ruined in the fracas. Ashby was put on probation for six months, and must report every month to the local deputy, Carl Reihn, of Mokena. During this period he is not permitted to drink any intoxicating liquors, or to cause any trouble whatsoever.

For his drunken disturbance made that same Sunday night at the close of Homecoming, Norval Robinson also came before Justice Mackay on the same day. He signed a jury waiver and pleaded guilty to the charges. Robinson was put on six months probation, during which time he must comport himself with decency. His wife is to report to the states attorney every month regarding his behavior. Robinson was warned that should he violate this probation he would be sent to Vandalia for six months. He was represented by his attorney, Harry Shenk.

BOWLERS ATTENTION

All those interested in bowling with the Mokena Community

Last March the Homer congregational church burned to the ground. While it was still burning, plans were formulating in the minds of the congregation for its rebuilding, and these plans have now taken definite shape, and will soon give visual evidence of the determination of Homer worshippers in the form of building operations. Next Sunday at 3:00 p.m. the corner stone of the new church will be laid on the site of the 87 year old church which went up in flames.

Shortly after the church burned down a poem by Hazel Adelman was published on the front page of The News-Bulletin, the final stanza of which is here republished. It is typical of the spirit of Homer and its determination to re-build.

"Now they'll all have to ask God's blessing elsewhere until the day
A new church is built and they can come and pray
And thank God for the helping hands of one and all
And for the pledges and donations, large and small.

The day looked hopefully forward to in the poem has now arrived. Next Sunday at 3:00 p.m. the cornerstone of the new Homer church will be laid, on the site of the 87 year old church which the flames laid low.

Rev. Harold M. Finley, pastor of the church which has a congregation of 77 people, will preside at the dedication services, which are scheduled for 3 o'clock Sunday. The invocation will be delivered by the Rev. William Bingham, pastor of the Marley Community church. There will be historical notes by Rev. Finley, a hymn, "Faith of Our Fathers," by the audience, and a talk by Elmer C. Ohlert, former pastor. Dr. Walker Alderton of Chicago Theological Seminary, Dr. Nels Nordstrom, director of the Northern Illinois area, will make brief talks. The litany of the laying of the cornerstone will be given by Dr. John Phillips of Lockport Congregational church. Then will follow a hymn, "The Church's One Foundation," by the audience, and a closing prayer by Rev. Gilbert Bongsten of Trinity Lutheran church of Lockport.

A copy of this issue of the News-Bulletin will be placed in the cornerstone, with other documents.

The new church will cost about \$29,000. Building committee chairman Robert Burch states. No architect's drawings were submitted for the new edifice. The plans were drawn in the minds and hearts of the congregation.

The new church will be of tan brick veneer, with a white wood cornice, and will have a steeple like that of the old church. A spot will be provided for a bell, although as yet a bell has not been forthcoming.

The new church will have a basement, with a main assembly room, seating about 100, a stage, kitchen and two Sunday school rooms. Three other Sunday school rooms will be located on the main floor.

At the present time the foundation is in, but Christel Koehler, the contractor, who is a resident of Homer township, says the church should be in readiness by the time cold weather sets in.

The old church was dedicated in 1865, and it is quite remarkable that Henry Burch, who is now 89, was present at the dedication with his parents in that early year. The first congregation consisted of 11 persons, who met in each other's homes for two years. In 1835 the congregation joined the Chicago Presbytery. It turned Congregational in 1850.

Corner stone laying committee chairman is Mrs. Iola Storm.

Joyce Hunter and Lewis Smith United In Marriage Sat.

The Hunters were formerly Mokena and Frankfort residents.

NO TRANSPORT FOR HI SCHOOL DIST. NO. 210

After making an exhaustive study of the many problems and costs connected with establishing an adequate student transportation system, the Board of Education of District No. 210 were compelled to cancel further plans for the coming school year.

Having had to operate the newly organized district the past year without tax funds, and having had insufficient funds to pay the current tuition bills, it was considered unwise to further burden the tax payers. The estimated costs for transportation were conservatively figured at approximately \$25,000. At present, students from the district are attending high school in Joliet, Orland Park, Chicago Heights, and Peotone and several from the same villages are attending two different schools. Consequently, it is almost impossible to solve the problem.

Since the Orland Park and Bloom High schools will not accept freshman students living outside their districts, these pupils will attend Joliet Township High School.

The Board of Education was unsuccessful in securing transportation contracts for the pupils living in the rural areas, which would eliminate any chance of securing State aid. In order to qualify for this reimbursement, all children must receive the same kind of service.

In contacting the Rock Island officials and the public bus lines, it is understood that the same facilities will be available for the students attending school in Joliet as have existed in the past.

The board members regret this situation, but feel that there is no other solution until the completion of the new high school building.

It's Fall Festival Time again, and everybody from this area, as well as beyond it, is invited to participate in the festivities starting Friday night, August 29 and continuing through Labor Day, Monday, September 1. A real good time is in store for all who, as participants or spectators, come to the Festival.

The Festival will provide an easy and pleasant escape from the traffic jams of Labor Day holiday travel, to say nothing of the dangers involved, by offering an alternative that assures a pleasant holiday for all. Plans have been afoot for many weeks to make this year's 4-day Festival an occasion that will surpass in every respect the Festivals that have gone before.

The Fall Festival will get off to a good start Friday evening in Memorial Park, Tinley Park, when Garretto's Accordion Players will show the people with a practical demonstration just what has made them so famous.

Everybody is already talking about the big wrestling bout scheduled for Saturday night, for which no admission is charged. The wrestlers are Billy Goelz and Billi Hickson.

Stellar attraction for Sunday afternoon will be the ball game in which Harvey's Little League will be matched against the Tinley Park Small Fry. Anyone who has ever seen these kids play—either side—will want to be on hand when the game begins.

Sunday evening there will be dance specialties and some sprightly music by the Accordion Players.

Highlight of the three big days of fun and frolic will be the big Labor Day parade which is scheduled to start at 2:00 p.m. sharp Monday at 175th street and Oak Park avenue, thence north to 171st street, and east to Memorial Park. In other years the parade has been led by Mayor Rose Brown, but because of the recent death of her mother Mayor Brown has delegated Jack Birmingham, village trustee, to fill this role.

Cash prizes amounting to \$100 will be awarded for winners in the parade. There will be six classifications, each of which will participate in the prize awards. The classifications are as follows:

1. Church floats, 2. Other floats, 3. Patriotic groups, 4. Fire departments, 5. Adult marching groups, 6. Juvenile marching groups.

The Festival will close Monday night with a spectacular display of fireworks.

Throughout the four-day celebration there will be something of interest going on for everyone. There will be rides for the kiddies and adults, games, refreshments, and the best of entertainment. There will be plenty of parking space, and admission to this big, friendly fun-packed Festival is as free as the delightful air of late summer.

All Tinley Park says welcome to its Fall Festival, feeling sure that every hour you spend at the Festival will be happily spent.

See you at the Festival!

Joliet Caterpillar To Resume Regular Work Week Sept. 2

Officials at Caterpillar Tractor Co.'s Joliet plant have announced that a regular work week will be resumed in all departments of the factory and office beginning Tuesday, September 2, the day following Labor Day.

The company's Joliet facilities have been operating on a three day work week in some areas because of a shortage of materials resulting from the recent prolonged steel strike.

"We are still in a critical period," reports W. L. Naumann, Joliet plant general manager, "but we are hopeful that sufficient materials will be available by September 2 to sustain a regular work week."

Naumann said that in order to return to a regular work week by September 2, a gradual acceleration in some departments will be necessary before that date which will mean that some employees who have been working on a reduced schedule will return to a regular work week prior to September the 2nd.

Riding Stables Start Business in Janes Subdivision

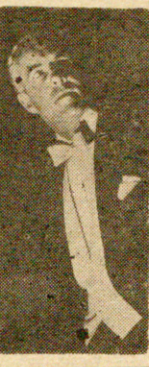

Kris Bulow, who formerly owned the Popular Stables in Palos Park, which has been discontinued, has established a riding stable in Janes' Subdivision, 175th street and Wolf road. Mr. Bulow calls his riding academy "Windy Hill."

The Windy Hill stables offer horse-back riding, hay rack rides and pony rides. Mr. Bulow also gives riding instructions. He is now engaged in enclosing an area 300 feet by 900 feet for a riding ring, in which riding instruction will be given.

Mr. Bulow, who lives in Janes Subdivision with his wife and son Harlan, invites the people of this area to come there at any time to use the facilities of Windy Hill stables. These facilities are not yet complete, but far enough advanced for all practical purposes.

Tinley Has Its First Polio Case

Incredulous as it was to Mr. and Mrs. James G. Cheney, when they discovered that their six year old daughter Patricia had the dreaded bulbar polio, they have now become resigned to the fact and are hoping and praying that their little girl will recover. They can be sure the hearts of their neighbors and friends go out to them at this trying time.

Patricia became ill last Wednesday and Dr. J. L. Gonzalez was called to attend her. After caring for her Wednesday and Thursday, he diagnosed her illness as polio and on Friday she was admitted to the contagious disease hospital in Chicago, where the staff complimented the Doctor for recognizing the case in its early stage, and entering her in the hospital immediately.

When her parents visited her Sunday they felt reassured at finding that her condition had not become worse. If she can hold her own for a few days more, she will be past the crisis and chances of her recovery are good.

The Cheneys, who live at 6531 S. Ravinia in Tinley Park, have two other children, Michael, seven, and Linda, 2½, who are being watched closely for any indications of the disease.

Geo. Folkers Given Farewell Supper

George Folkers, son of Attorney and Mrs. Herbert Folkers, of Frankfort, left Sunday for New York, where he will sail on the Queen Mary August 27 for Switzerland. He will attend the University of Basel, where he has won a scholarship.

Last Wednesday evening a farewell supper was served in his honor by his parents. Guests were Mr. and Mrs. Edward Oetler, Mr. and Mrs. Henry Sizwald and daughters, Janet and Jane, Mr. and Mrs. H. A. Morse, Mrs. Fred Heiland and Mrs. Fred Kroplin, all from Joliet. Also Mr. and Mrs. Glenn Folkers, Mr. and Mrs. Frank Marti and Mr. and Mrs. Lynn Kohlhagen and son. One of the guests, Jane Sizwald, left Friday noon for Honolulu.

Their next stop was at Bud and Polly Brandau's at Otis, Colo. where they spent three days before returning home.

Catches Thieves Breaking in Home

CNS—A business executive captured two burglars who broke into his expensive south suburban home late August 17.

Forty year old Frederic C. Muntwyler was alone in his Palos Heights ranch type home when he noticed two strange

men in an old model car pull up. The two men looked around, then went to the rear of the house and cut the screen in the back door. Muntwyler ran into a bedroom for his revolver and was waiting for the burglars when they stepped in.

When Muntwyler yelled "put up your hands", the first burglar lunged at him. And Muntwyler fired, hitting 25 year old Richard Johnson of 8427 Monticello of North suburban Skokie in the wrist.

The other burglar, 23 year old Frederick Jordan of 321 E. 49th street, froze in his tracks. Muntwyler held the two burglars at gun point until Bedford Park sheriff's police arrived.

Muntwyler's home is at 105th avenue and West 125th street in Palos Heights. He is a vice president of the Wire Sales company, 4630 West 54th street. Johnson was taken to the Little Company of Mary hospital for treatment. Johnson and Jordan have minor police records. Muntwyler left work early that day to put some finishing touches to his newly acquired home. The burglars used a pocket knife to cut the screen. Bedford Park police plan to question Johnson and Jordan about other burglaries committed in the south suburbs.

Matteson Man Electrocuted

An electrician for the Illinois Central railroad was electrocuted in Chicago last week at 21st street and the IC tracks.

Fifty-four year old Earl H. Peters of 198 Crawford street of south suburban Matteson was on a 30 foot ladder over the tressle when he touched a live wire carrying 15 hundred volts.

Peters dangled by his safety belt. Fellow workers got him down and applied artificial respiration until a fire ambulance arrived. They worked in vain. Peters was pronounced dead by a doctor summoned from a nearby printing plant.

IN MEMORIAM

REISH, Mollie—In memory of our dear wife and mother who passed away four years ago, August 22.

One by one earth's ties are broken,
As we see our love decay;
And the hope so fondly cherished,
Brightens but to pass away.
One by one our hopes grow brighter,
As we near the shining shore;
For we know across the river,
Wait the loved ones gone before.

Mr. and Mrs. Fred Kittel of Orland Park and Mr. and Mrs. John Kittel of Mokena, attended the Indiana State fair, August 19, at Crown Point. They report having had a wonderful time.

"You Could Never Without a Telephone"

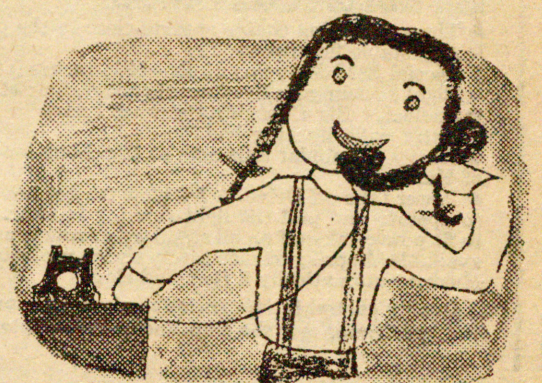

by Ann Loeb

When Ann wrote this fine, third-grade theme in Shabbona school, Ottawa, Illinois, she had no idea her father, Andrew, would send it to Illinois Bell. Not a word has been changed. Ann drew the pictures later at our request.

"The telephone is used in sending many different messages. Here are some of them:

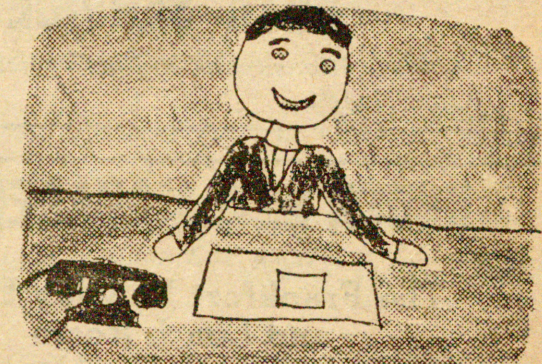

"It helps report fires, floods and that people have fallen into deep water and need a doctor very quickly.

"Children use the telephone by inviting other people to parties or other children to come over and play, and it is used in telling each other new news.

"Housewives use it for calling the grocery store for orders.

"Fathers use it in business.

"The telephone was invented by Alexander Graham Bell. It was born June 2, 1875. . . . You could never without a telephone—and use manners if you are listening or talking. . . . The telephone is one of our great friends today so take care of it. . . . The End."

No price can measure its usefulness

BASEBALL

Monday, Aug. 18 Tinley Park Small Fry traveled to Steger and took a 6-3 trimming. Steger managed to combine eight timely hits with a fielding error and several errors of judgement on the part of the Tinley players while Day, pitching for Steger, only allowed six hits. Hartwig was the losing pitcher.

 Friday, Aug. 22 So. Heights came to Tinley Park and with only two hits, two bases on balls and some good fielding, managed a 4-2 victory in spite of a 10 hit barrage by the Tinley Park boys. A beautiful double play by So. Heights cut short a Tinley rally in the fifth inning and a perfect throw by Flamini, the left fielder, to Brenner the catcher, cut down Callahan at the plate for the third out in the sixth inning, when Tinley threatened again. Winning pitcher, Kruse, losing pitcher, Hug.

1 2 3 4 5 6—R H E
 Tinley Park 0 1 0 0 0 1—210 4
 So. Heights 0 2 0 0 2 —4 2 2
 This placed Tinley Park and So. Heights in a tie for the American division championship of the Wilco league, and the play-off game was scheduled at Tinley Park for Aug. 25. This ended in a 6-0 victory for Tinley.

Hartwig kept this game under control all the way, allowing only five scattered hits and three bases on balls, while hitting one batsman and striking out 14. Bartolini, who was a bit erratic in the first inning walked Lucas and walked Ralson. Then Hartwig struck out Meyer and Callahan wig drove a hard line single to the center fielder, which carried off his glove permitting three runs to score. O'Neill was struck out. Swingler, Block and retired pitcher to first, Hartwig Wagner in order to end the inning.

An error on the third baseman put Siemens on in the second inning after Miller had struck out. Successive singles by Hug, Lucas and Meyer accounted for two more runs. Callahan fled to the right fielder and Ralson hit a high line drive that the first baseman Zeller speared. Kruse popped out to Hartwig, Bartolini smashed a ringing triple but So. Heights died quickly when Hartwig caught a line

drive from Flamini's bat and threw to Hug at third for a double play to end the second inning.

Third inning, So. Heights—Zeller struck out, Seaver singled, Branner walked. Swingler struck out, Hartwig hit Block with a pitched ball to fill the bases and struck out Wagner to retire the side.

Fifth inning, So. Heights—Brenner struck out, Swingler singled, Block struck out, Wagner singled sending Swingler to third, Krause grounded out, Hug to O'Neill to end the inning.

Tinley Park is the only team in the league that has a girl for mascot and a bat girl. Judy Gray should get a big hand. A lot of applause to our coaches, "Mose" Nasebandt, Reiny Meyer and Ed Hartwig who gave up much spare time to help our boys win.

The team all want to express their thanks to an anonymous fan for his treat of ice cream, soda pop, and candy after their victory Mondaynight.

Winning pitcher, Hartwig, losing pitcher, Bartolini.

Monday was a bad day for our catcher, Jerry Meyer, who fell with his bicycle, while carrying a milk bottle, and cut his arm and thigh quite seriously, but bandages and all he wanted to play this ball game.

In the game a So. Heights player fouled a ball that missed Jerry's mask and hit the top of his head. After a drink of water, Jerry finished, catching the game, bandages, bump and all.

TINLEY INTERMEDIATES
 AGE 13-14

Saturday, August 23, the Tinley Park Intermediates, ages 13 to 14, defeated Chicago Heights 5-0, behind the superb pitching of Ronnie Stege, who allowed only 3 hits to a strong Heights team.

Stege and Ron Gallina led the team in 3 hits apiece while Gallina had a circuit blow. The Batteries for Tinley Park were

Stege and Beherens and for the Heights, Zeller and Tubbs. The Intermediates play their final game Saturday against the Kiwanis Kids of Chicago Heights at 1:30 p.m.
